

YRFlow 5-Minute Quick Start

We know you are busy. Follow these three steps to use your first prompt immediately:

1. Pick Your Battle Are you trying to close a deal today? Or are you just researching?

- If closing: Use **Prompt 01**.
- If researching: Use **Prompt 03**.

2. Copy and Customize Copy the text from prompts.txt. Open your preferred AI (ChatGPT, Gemini, etc.). Paste the text but **DO NOT** hit send yet. Replace the [Inputs] with your real-world data.

3. Analyze and Send Review the AI's output. Does the financial logic hold up? If yes, use the script in your next email or meeting.

Success Tip: Run **Prompt 04 (ROI Calculator)** for every proposal you send this week. We guarantee it will change how your clients perceive your value.
